### Father's of Baby's History

Please indicate if the father of the baby (FOB) has ever had any of these conditions

Tobacco Use - Active 18-30 he smokes about a pack a day

### Genetic History

Have either you or the FOB ever had a baby with birth defects?

Yes - FOB has a daughter that was born with webbed toes

Did you or the FOB have a birth defect yourselves?

No

Does the FOB have a history of pregnancy losses with another partner (miscarriages or stillborns)?

No

If you answered yes to the last question, have either of you had genetic counseling?

No

If you answered yes to the last question, have either of you had chromosomal studies?

No

Are you or the FOB of Jewish ancestry?

Yes

If you answered yes to the last question, have either of you had a Tay-Sachs screening test?

No

Are you or the FOB black?

No

If you answered yes to the last question, have either of you had Sickle Cell screening test?

No

Will you be 35 or older when the baby is born? Will the FOB be 50 or older when the baby is born?

No

No

Do you have any objections to receiving blood or blood products?

No

**1st Pregnancy                      Fetuses : Single**

**1st Fetus :** miscarried on 5/04 at 8 weeks pregnant

**2nd Pregnancy                      Fetuses : Single**

**1st Fetus :** live birth delivered on 10/05 at 42 weeks pregnant

<b>gestational age</b>	<b>birth weight</b>	<b>total length of labor</b>	<b>induced</b>	<b>induction method</b>	<b>place of delivery</b>
42wks	7lbs 4oz	22hours	Yes	Pictocin	Hospital
<b>delivery type</b>	<b>anesthesia</b>	<b>vaginal tearing</b>	<b>episiotomy</b>	<b>name of baby</b>	<b>gender</b>
Vaginal	Epidural	No	Yes	Jim David Gray	Male

**Complications :**

SUA/2 vessel cord, Preterm labor/ROM

**Comments :**

client went to hospital for preterm labor at 32 weeks pregnant. They administered progesterone for a few hours. No more incidents occurred after that.

**3rd Pregnancy                      Fetuses : Single**

**1st Fetus :** live birth delivered on 5/07 at 39 weeks pregnant

<b>gestational age</b>	<b>birth weight</b>	<b>total length of labor</b>	<b>induced</b>	<b>place of delivery</b>	<b>delivery type</b>
39wks	7lbs 9oz	10hours	No	Birth Center	Vaginal
<b>anesthesia</b>	<b>vaginal tearing</b>	<b>episiotomy</b>	<b>name of baby</b>	<b>gender</b>	
None	Yes	No	Mark Robert Gray	Male	

**Complications :**

Placenta previa, GBS+, Postpartum hemorrhage

**Comments :**

client described the postpartum hemorrhage as being very minimal

**Family History**

**Please indicate if anyone in your immediate family or FOB has had these conditions**

**High Blood Pressure - Mother    Active    30-50    her mom is on various meds to reduce her blood pressure**

**Congenital Abnormalities - Sister or Brother    Resolved    under 18    under 18**

**my brother was born with a cleft palate which was corrected by surgery**

**Strokes - Paternal Grandfather    Active    after 50    my grandfather had 3 strokes before passing away**

## Your Mother's History

---

pregnancies	complications	live births	miscarriages
5	she had a c-section with me due to her high blood pressure	4	1

## Your Health

---

cur wt	wt gain	blood type
138	13	B+

### medical conditions

Thyroid problems - Active 5/16/02 I take medication to regulate my thyroid

Ulcers - Resolved 12/14/00 6/14/02 I had ulcers probably caused by stress after a couple years they went away

Heart Problems - Active 12/15/82 I have a congenital heart murmur

Heart Problems - Active 4/15/91 I have Atrial fibrillation

## Medications

---

### medications or supplements?

Yes

### medication :

Clarinet 8/14/06 5mg Once daily Dr. Fierdbock I take medication to help with my seasonal allergies

Astelin 4/15/09 1cc As needed Dr. Fierdbock I take medication to help with my pet allergies

Enoxaparin 10/14/96 25mg twice daily Dr. Schuligin I take medication for my heart condition

### drug allergies?

Yes

### drug allergy :

Penicillin 8/13/00 I get a rash and anaphylaxis

NSAIDs 8/13/00 I get urticaria/angioedema

### food allergies?

Yes

### food allergy :

Peanuts 8/14/81 vomiting

Lactose (Milk) 8/14/86 I have GI issues

**Life Style**

**I regularly consume :** Caffeinated Soda, Coffee, Herbs      **how do you exercise and how often?** I go to cross fit courses 3 times a week      **current stress level** Medium

**typical stress level** Low      **source of stress** work and finances      **are you being abused?** No      **history of abuse?** No      **do you feel unsafe?** No

**comments**  
client use to also take anti-depressants but is fine now

**Gynecologic History**

**age of 1st period** 13      **periods/year** 12      **period freq.** 30      **period duration** 7 - 8 Days      **period flow** Light      **bleeding bet. periods** Yes

**irreg. periods** No      **painful periods** No      **last pap smear** 4/19/13      **abnormal pap smear?** No      **complications with birth control** weight gain, some nausea

**Sexual History**

**1st intercourse age** 22      **recent birth control used** discontinued the pill in feb last year

**have you ever had any of the following conditions?**  
Ovarian cysts - Resolved 2/14/06 2/14/08 after some time they just disappeared, praise God!  
Infertility - Resolved 2/14/12 11/14/13 After using Clomid I finally got pregnant!
